

Dear Electronics & Electronic Technology faculty and faculty in related disciplines,

We are currently seeking faculty interested in serving on behalf of the Electronics & Electronic Technology discipline as Course Outline of Record Evaluators (COREs) for the Course Identification (C-ID) Numbering System.

As COREs, you will be active in reviewing submitted community college courses and assigning appropriate C-ID designations to those courses – a process facilitated through the [C-ID website](#).

More detailed information regarding the role of COREs is included in the attached document.

If you have an interest in taking a role within your discipline as a CORE, please respond via email to [megan@asccc.org](mailto:megan@asccc.org).

[Thank you.](#)
